

# HERITAGE PARTNERS

*Recruiting Leadership Teams in Life Sciences*

*We are proud to announce the successful conclusion of our search for:*

## **Chief Medical Officer**

### **XENTRIA**

*Xentria is a biologics development company working closely with Meitheal Pharmaceuticals (Chicago, IL), NKF Pharma (Nanking, China), and KinBio (Rehovot, Israel) on an ambitious new biosimilars program.*

## **Mustafa Noor**

**April, 2021**

*The successful candidate selected is **Mustafa Noor**. Mustafa is a seasoned chief medical officer with extensive experience in the Pharmaceutical and Biotherapeutic arenas. For over 20 years, Mustafa has led clinical development efforts at organizations including Bristol Myers Squibb, Glaxo Smith Kline, Pfizer, Ipsen, Rugen, and Akcea. He has also had a significant consulting practice as an interim CMO. Mustafa holds BA and MD degrees from the University of Chicago, an MS from Vanderbilt University School of Medicine, and did his residency and fellowship at the University of California San Francisco.*

*Heritage Partners International is an industry-leading senior-level retained executive search and advisory firm serving the life sciences sector. Our partners have held senior roles in industry and average more than 20 years of executive search experience in the life sciences vertical. Heritage Partners distinguishes itself through rigorous due diligence on candidates, a commitment to strategic impact, and a deep understanding of the business/science interface.*
